

**9<sup>TH</sup> STREET EXTENSION PROJECT**

Auburn, DeKalb County, IN  
Revised October 20, 1999

**Site Location and Description**

This site is located on the City right-of-way between the end point of 9<sup>th</sup> Street at Fulton Street to West Street in Auburn.

Zip Code: 46706

**Site Uses and Past Activities**

None specified.

**Contaminants and Impacts**

Cooper Tire & Rubber Company conducted a subsurface investigation, including soil and groundwater sampling activities on this site. The investigation determined that there was no risk of exposure to contamination at the property. This brownfields project is not expected to pose any additional risk to human health or result in any additional harm to the environment.

**Lead Agency**

IDEM

**Community Concerns**

None specified.

**Actions Taken**

An IDEM Brownfields Comfort Letter was issued for this site in May 1998. The letter addresses liability issues and should assist the City of Auburn with responsible brownfields redevelopment.

**Current Status**

IDEM does not plan to take any further action at the property unless and until the conditions at the property should change or IDEM later discovers the reports were inaccurate concerning the potential contamination at the property.

**Future Actions**

Indiana Department of Environmental Management  
Office of Land Quality

IDEM plans no further action. The City of Auburn and other stakeholders should proceed with redevelopment. The city believes the redevelopment of this brownfields property will give better access to current properties and aid in possible future development of the surrounding community.

**Cost Estimates**

Comfort Letters are provided at no cost to the recipient.
